Dear Graduate Students,

GSG would like to provide you all with an update on the current Travel Grant application process.

GSG is currently accepting travel grants for all travel from July 1, 2016 through December 31, 2016 under the “Fall 2016” application. This includes all “summer” travel, as long as said travel occurred after July 1, 2016.

Many students have contacted us with questions about the summer travel grant period. Unfortunately, the Travel Grant Program is an incredibly popular program on a first-come, first-serve basis throughout the year, and the source of funding for FY 2015-2016 (July 1, 2015-June 30, 2016) was depleted before the summer period began. We are working closely with University administration—who provides final approval for, and process, the
reimbursement checks—to ensure that this does not occur again.

Finally, beginning for all conferences from September 22nd on, students will have 14 days to submit travel grant applications. Applications submitted over 14 days after the conference dates will not be processed. We understand that this can be frustrating and disappointing. We apologize for any inconvenience.

Please be on the lookout for several updates to the travel grant application process. We hope these changes will make the process much simpler and more transparent. Please send any and all questions to gsgvp@usc.edu.

Thank you,
Kris Coombs, Jr.
GSG Vice President, 2016-2017
